Subject: New Numbers for Morton

Dianne,

Morton Salt International (801) 933-4400 is likely the new number for Morton International that should replace the number we sent over. (When I call it I get "Morton Salt").

There's also a listing for Morton Salt at I 80 West (801) 250-6335.

Both are Grantsville numbers. I'd start with the top number. Please advise if these don't get you where you need to be, and I'll dig a little deeper, Joelle is on vacation, and staff contacts are in the field this afternoon.

Both phone #'s work.
